BRAND OVERVIEW

OUR IDENTITY AND VALUES

WHO WE ARE

Vogues by Dehem is a Lagos-based luxury brand specializing in bespoke leather footwear and bags, offering handcrafted pieces tailored for individuals who value exclusivity and craftsmanship.

MISSION AND VISION

Our mission is to create bespoke leather goods of uncompromising quality, establishing Vogues by Dehem as the definitive name in luxury craftsmanship across Africa and the global market.

BRAND PERSONALITY

DEFINING OUR UNIQUE IDENTITY

BRAND ARCHETYPE

Vogues by Dehem embodies The Ruler and The Creator, commanding refinement and showcasing craftsmanship that lasts, establishing authority in luxury and bespoke artistry.

CORE VALUES

Our brand is refined, exclusive, and artisanal, ensuring every detail speaks of quality, while confidently upholding a timeless essence that appeals to those who value individuality and elegance.

TARGET AUDIENCE OVERVIEW

Affluent Professionals

Our primary audience comprises affluent Nigerian professionals aged 25-50 who appreciate craftsmanship and exclusivity in luxury products.

Fashion-Conscious Individuals

We also target fashion-conscious individuals seeking premium personalized pieces that reflect their unique style and individuality.

LOGO

PRIMARY LOGO

The primary logo is the main and most recognisable brand mark. It should be in all brand communications and official materials where full brand identification is required.

Brand Voice And Tone

*The language of craft.
The weight of intention*

Tone of Voice

Dehem speaks with quiet authority — not loud, not desperate. Every word is chosen like every stitch. With purpose. Our tone reflects a brand that does not seek attention. It commands it.

We Sound Like

Dehem speaks the way it builds — with refinement, intimacy, and quiet authority; never explaining more than necessary, always meaning more than it says.
